

# Decorating a MINI GOLF HOLE

## THEME

Will your sponsored hole have a theme? Robots? Animals? Medieval? Something related to your brand?

at the

**CHILDREN'S  
MUSEUM**  
of NEW HAMPSHIRE

## OBSTACLES

Can you provide or create a special "obstacle" for the balls to travel through or around?

## EDGES

Think of how you can decorate along the "bumpers" that line the mini golf grass, guiding the course.

## SIGNS

The Museum will print an 8 1/2 x 11 laminated sign with your business name or logo, but if you want more signs, or info about your business or organization, you can incorporate them into your decorations.

# FAQs

## EVENT DATES

**21+ Grown-up Play Date Mini Golf at the Museum:** Saturday, February 22, 7-9pm

**Mini Golf at the Museum:** Sunday, February 23, noon-5pm; *early access for CMNH Members begins at 11am*

## HOLE GUIDELINES

1. Best to keep the footprint of any obstacle under 3 ft in any direction so it can be placed just about anywhere.
2. No breakable materials or fluids.
3. If you want to use electricity, please bring a very long power cord to give us flexibility on where to locate your hole relative to the power outlet.
4. Avoid using any materials that shed or will otherwise make debris.
5. If you want the obstacle to have an aperture the ball must go through, it should be at least 18" wide.
6. Any ramps that will cause the ball to go up needs a ceiling. Anything that will cause the ball to elevate creates the potential for someone to hit it too hard and send the ball airborne.
7. Last issue is playability. Please be advised that many players will be under age 5. Please create holes that won't be too difficult to get through.

## SET UP

### Things to keep in mind

- Any decorations should be fully assembled when you get to the museum. You'll only have one hour to set up your hole, so the more work you do before you get to the museum, the better.
- You can send as many people to the museum to help set up the hole, however, please note that we only provide two tickets (four for Premium Hole sponsors) for free admission into both events. Please send the names and emails of those guests who will attend using free admission to **Paula Rais at [paula@childrens-museum.org](mailto:paula@childrens-museum.org)**.
- Please bring any supplies with you that you think you will need for assembling your hole such as tape, scissors, string, etc. We will have some supplies on hand, but can't promise we'll have exactly what you need.

**Early Drop-off:** We'll store your decorations for you overnight to make your set up on Saturday easier! Available between 9am-5pm on Friday, February 21.

**Saturday Set Up:** Set up on Saturday will take place between 6 and 6:45pm. The doors for the Grown-up Play Date open at 7pm, so please be prompt. Volunteers and staff will be on hand to help with set up.

## PICK UP

Please plan on picking up any decorations (that you don't want the museum to recycle) between 5-6pm on Sunday, February 23 or arrange a time to pick up your materials on Monday, February 24 between 9am and 5pm.
